## CAN I STAY TO WATCH MY CHILD?

Anyone who wishes to stay and watch any class is welcome to watch from the observation area in the classroom. The safety of your child is our priority. We CANNOT have parents or siblings in the barn with the students. Our full attention needs to be on the students and nothing else. Please make sure that any other children that come with you, are with you at all times. We have many other horses on the premises and cannot be responsible for their safety.

Also, dogs are NEVER allowed on the property. We appreciate your help to continue to make our facility a fun and safe environment.
